

Would You Like to Help Complete the “PARKS CEMETERY RIDGE CONFEDERATE MEMORIAL PLAZA” project ?

In these difficult times, many folks may find that \$50 for an inscribed ancestor brick is more than their budget can allow for...

We have just the thing...and it would make a wonderful keepsake or gift for those who may not have a Confederate ancestor and want to support our SOUTHERN HERITAGE.

The Otho French Strahl, SCV Camp 176 is selling 1' square portions of the first flag to fly at the “PARKS CEMETERY RIDGE CONFEDERATE MEMORIAL” Site. This special flag, Tennessee’s largest, was raised on August 2nd, 2008 and retired from service on December 5th, 2008..

Kathi Williams, wife of camp Adjutant Jimmy Williams, cut this flag into 1' portions and larger parts for the stars. Like our ancestors, who spirited away fragments from their regimental flags at Appomattox, these keepsakes are destined to become heirlooms for generations to come.

For a donation of only \$20, you can own one of these prized pieces, accompanied by a certificate of authenticity, a photo of the flag site, and a wonderful CD by Chaplain John Weaver entitled, “THE TRUTH CONCERNING THE CONFEDERATE BATTLE-FLAG”.. Shipping is included in this price.

You can purchase these by mailing a check for \$20 to:
SCV FLAG FUND, 203 South Home St, Union City, TN 38261...Mark your check “Flag Portion” in the memo field. **Hurry, these will be GOING FAST!** If you are feeling a little generous, why not buy one of the 10 remaining stars from this flag, which are \$100 each.

All items come with a signed certificate of authenticity, photo, and CD. Shipping is included on all items.
